

Yale University

MISSION

Yale's mission is to advance, disseminate, and preserve knowledge. We strive to educate leaders in the service of society.

VALUES

Excellence in every aspect of our work

Honesty in all of our dealings

Collaboration with our colleagues within our units and across the University

Innovation by asking questions, embracing change, taking appropriate risks, and encouraging others to do so

Fairness by treating each other evenhandedly and respectfully

Diversity of backgrounds and views to broaden our perspectives and enhance creativity

Professional Development to enhance our skills and our capacity to contribute

Yale
